TIMED EVENTS SHOW NEWS

The May timed events show was a BLAST! If you haven't been to any of JCHA's shows recently, you're missing out! Whether you're a spectator or competitor, you're bound to have a good time.

The Open Barrel Race became a Jackpot race with the winner, Stevie Smith, taking home \$50 extra along with feed pay-out.

The Open Potato Race is always a big hit, although it became the Open Onion Race at the May show. It was stinky but a lot of fun! Stan Smith took home top honors on "Slick" with a time of 8.49.

The Mystery Event was the Pick-up Race. There were six teams running in this event. A Father - Daughter team, Christian and Chris Miller, took first place with a blistering time of 9.01.

Unfortunately, we had an accident during this race resulting in an emergency room visit. We hope you're doing better, Stan!

We also had a major hick-up with our time clocks.

Apparently they were contaminated with rain during the Rodeo. But we were able to borrow some clocks to finish out the show. JCHA board members will work with the clocks to repair them for the next show!

Speaking of our next show! As you know, the April Make-Up Show had to be cancelled due to rain. It has been decided that we will run our regular July timed events show on 24 Jul. This show will be a regular show, entry fees will be regular entry fees, but when the points are figured, you will earn "DOUBLE" the points!

- You will pay \$5 per event run

- Pay-out will be distributed per the \$5 entry fee schedule posted at the event

- Points earned will be "DOUBLED"

ie: If you run first place in an event you would normally earn 15 points for that event;

...for the July event, if you run first place, you will earn 30 points.

If you have any questions, please don't hesitate to ask. There will be more info posted at the July event.

Please pay special attention to the schedule below as there have been some changes!

June Meeting Brief

There were very few members present at the June meeting.

The Rodeo was a huge succes! The overall total profit for the rodeo was \$3,621.00.

The May timed events show profit statement showed a profit of \$552.25.

The bucking chutes balance owed is \$1,500.00 and check has been sent out to the Mobile Mounted Patrol Auxillary.

The tax statement came in the mail last week. The balance due for taxes has been sent out.

The next show at the arena will be the 19 June Team Penning.

There were a lot of problems in the concession stand at the rodeo and the last event.

- We need an electrician to look at our breakers. Regardless of which fryers we had plugged in, the breakers kept tripping.

- We need some "STEADY" workers for the concession stand.

It was decided that the July Timed Events Show will be a regular entry fee and pay-out, but the points earned will be doubled.

The July meeting has been changed to Thursday, July 8, 2010 at 7pm at East Central Community Center unless otherwise notified.

We need to get some weed killer – the weeds are taking over again.

There was some discussion about possibly purchasing a new drag for the arena.
